

Required Documents for Pharmacy Registration

Thank you for your interest in registering your pharmacy with our application. To ensure the legality and legitimacy of all registered pharmacies, we require the following documents for verification purposes:

- 1. Pharmacy License:** A copy of your valid pharmacy license.
- 2. Business Registration Documents:** A certificate of incorporation or registration, depending on the legal structure of your pharmacy (e.g., sole proprietorship, partnership, corporation)
- 3. Owner Identification:** A copy of the government-issued ID of the owner(s).
- 4. Proof of Address:** Documents verifying the physical address of the pharmacy (e.g., utility bills or lease agreements)
- 5. Pharmacist License:** Verification of the pharmacist(s) associated with your pharmacy, ensuring they are qualified to dispense medication.
